How to Use the Online CCHA Provider Search
(CCHAcares.com/findadoc)

There are multiple ways to search for providers. You can use one or more of the options below.

Search by Provider Name

- Enter a provider's name in the *Provider Name* box. You can search by first or last name. If you choose to include both first and last name, make sure your search follows this format: last name, first name. (Image #4)
- Click the **Search for Providers** button. (Image #3)

Provider Name:

Smith, John

[Image #4]

Search by Practice Name

- Enter a practice name in the *Practice Name* box. You can enter a partial name, such as Academy. (Image #5)
- Click the **Search for Providers** button. (Image #3)

Practice Name:

Academy Park

[Image #5]

Search by Phone Number

- Enter a phone number in the *Phone Number* box. (Image #6)
- Click the **Search for Providers** button. (Image #3)

Phone Number:

303-000-0000

[Image #6]

Search by Provider or Practice Type

- Click the **Provider or Practice Type** dropdown. (Image #7)
- Select one or more types to search. You can search for a specific provider or practice type using the search box at the top of the dropdown. (Image #7)
- Click the **Search for Providers** button. (Image #3)

Provider or Practice Type:

2 items selected

Q Behav

BEHAVIOR ANALYST ✔

BEHAVIORAL HEALTH ✔

COMMUNITY/BEHAVIORAL HEALTH

[Image #7]

Search by Practice Accommodation Types:

- Click the **Practice Accommodation Types** dropdown. (Image #8)
- Select one or more types to search. You can search for a specific practice accommodation using the search box at the top of the dropdown. (Image #8)
- Click the **Search for Providers** button. (Image #3)

[Image #8]

Search by Provider Gender

- Click the **Provider Gender** dropdown. (Image #9)
- Select one or more genders to search. (Image #9)
- Click the **Search for Providers** button. (Image #3)

[Image #9]

Search by Provider Languages Spoken

- Click the **Provider Languages Spoken** dropdown. (Image #10)
- Select one or more languages to search. (Image #10)
- Click the **Search for Providers** button. (Image #3)

[Image #10]

Search by Street Address

- Enter a street address in the *Street Address* box. (Image #11)
- Click the **Search for Providers** button. (Image #3)

Street Address:

000 Something Way

[Image #11]

Search by Practice City

- Enter a city in the *Practice City* box. (Image #12)
- Click the **Search for Providers** button. (Image #3)

Practice City:

Denver

[Image #12]

Search by Practice ZIP Code

- Enter a ZIP code in the *Practice ZIP Code* box. (Image #13)
- Click the **Search for Providers** button. (Image #3)

How to View Search Results

Filter Results

- You can filter your search results to display one or more of the following: (Image #15)
  - Provider Is Accepting New Patients
  - Provider Has Completed Cultural Competency Training
  - Practice Has Accommodations for People with Disabilities
  - Practice Utilizes Telehealth
- After you have selected your desired filters, click the **Search for Providers** button. (Image #3)

[Image #15]

Search Results Map

- The search results map will ONLY show map pins for the current displayed page. (Image #16)
- Pins only represent practice locations; a single practice location can contain multiple providers.
- If you used a specific location for your search, a blue circle will appear centered at the location you entered with the radius size you specified. (Image #17)
- Clicking on a pin will display the practice name associated to that pin. (Image #16)
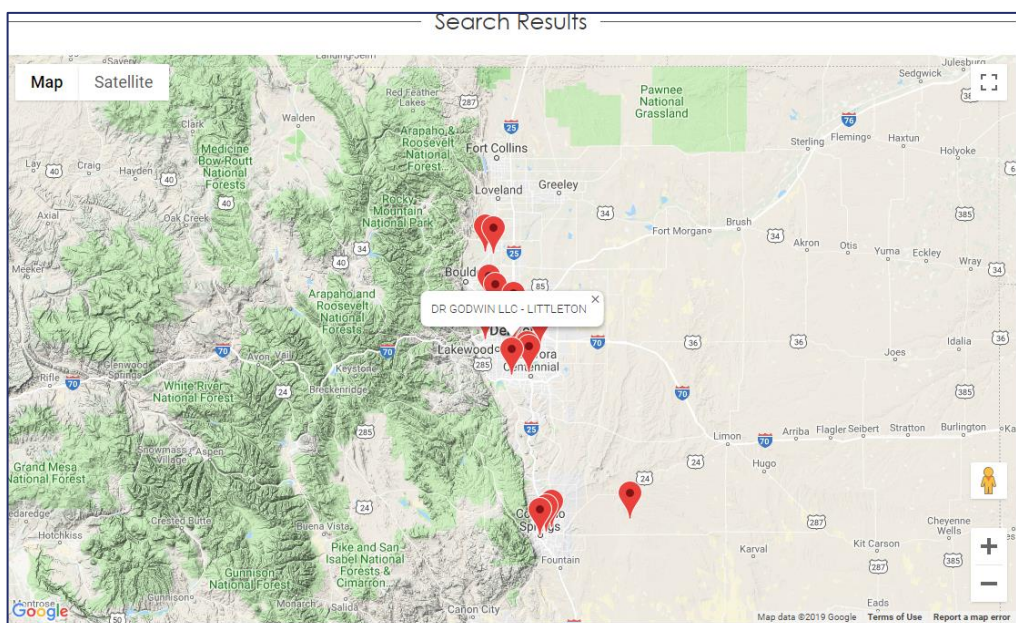

[Image #16]
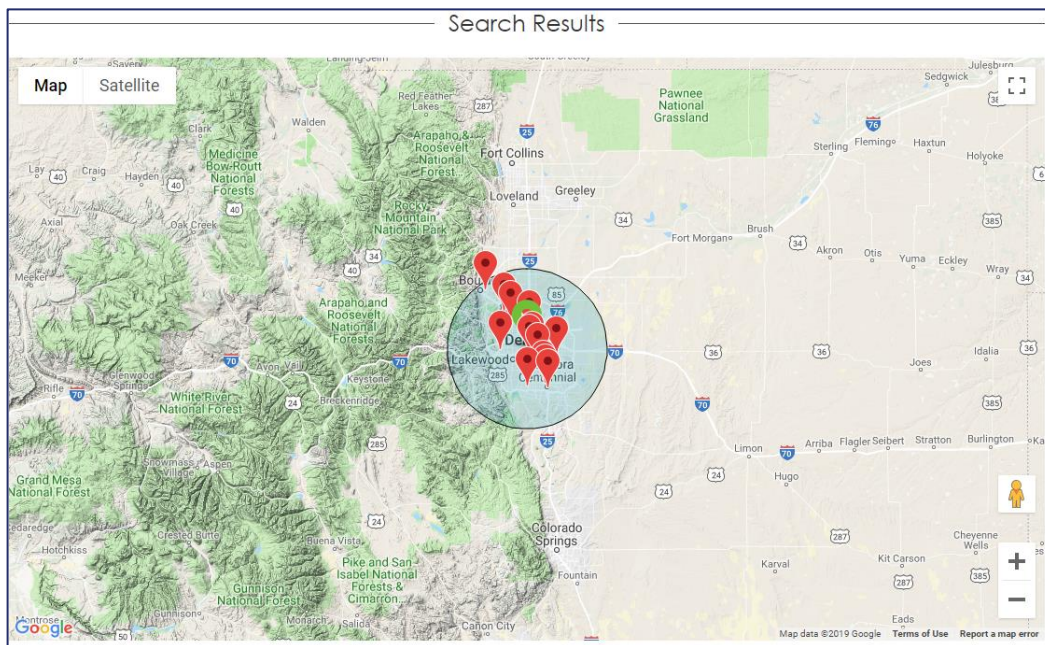

Search Results

[Image #17]

Controlling Search Results

- You can select how you would like your search results to display. (Image #18) You can directly control:
    - Number of Results Per Page
    - Current Page
    - Display Type – Table or Grid

Number of Result(s) Per Page:	Current Page:	Display Type:
25 - Results	Page - 1	Table Layout

[Image #18]

Search Results List

- If you selected *Table Layout* as display type, you will get a list of providers grouped by practice in a table layout. (Image #19)
- If you selected *Grid Layout* as display type, you will get a list of providers not grouped and in a grid layout. (Image #20)
- At the top of the search results display, you will see general information such as the number of providers that matched your search criteria.
  - Click the + to display more information about the practice.
  - Click the – to display less and see only the general information about the practice.

Table Layout Specific Options

- There are a number of additional features with the table layout, such as:
    - Sort results by column. To sort, click a column header. (Image #21)
    - Perform a text based quick search on the current page of data. Columns will be searched left to right for matching results. (Image #22)
    - Show/hide specific columns. When you click on an item from the dropdown, the background will turn white. White options will not display; gray options will display. (Image #23)
    - Export search results to various formats. (Image #24)
